Although it's not strictly speaking a bag, it is the perfect, iconic Louis Vuitton accessory.

This compact bag was created in the 1930s and intended to be used for those who needed to travel, the name paying tribute to decade's rapid travel advancements.

This chain wallet is the ideal option to take you from daytime to evening.

However, it has recently become a classic staple for both genders, thanks to its ample interior space in comparison to the standard handbag.

Retail Price: Discontinued

If you're someone who prefers a larger bag with plenty of interior space to stash your belongings, the Tivoli handbag is certainly a recommended choice.

The above bags are some of the cheapest on the market- both from stores and retailers and certainly when purchasing second-hand.

As with most high-end brands, prices increase from spring onwards, so you could be paying over the odds during April, May and June.
