Shop online for amazing Baccarat crystal glassware, vases, lighting and figurines.

Baccarat enchants clients who buy luxury glassware not because it is a status symbol but because they truly appreciate the sophistication and savoir-faire behind its quality and heritage.

Since then, the company has continued its search for pleasure by offering its savoir-faire to passionate connoisseurs.

This marvelous crystal has conquered over time the major European and world courts, having its affirmation with the French court of Louis XVIII.

Immediately afterwards he managed to establish himself as incomparable up to the Ottoman Empire, passing through Russia, India, Japan and the Arab countries. Present in many museums of the world, Baccarat crystals are absolutely contemporary with the most successful designs.

Great names have worked and created for the manufacture, including Ettore Sottsass.

Then we have added big names like Andre Putman, Marcel Wanders and in particular the acclaimed Parisian architect and designer Philippe Starck.
