In recent years, there has been a rise in the production and sale of "super fake" high-end handbags, which are knockoffs so good that they are almost indistinguishable from the real thing.

While I do enjoy quality for certain things that I'll use relentlessly, that

's just not a handbag for me.

Of course, we haven't seen a Wisconsin team struggle this much at any point during the span.

That's the only way this play makes sense.
