Allan and Brad just resume their mission.

After the final level, Zod gets a promotion to Supreme Space Colonel.

When one is successfully captured, a space ship transports the robot army to an other. Versions [edit]

Ports for the PlayStation and Sega Saturn were released in 1997 and 1998 only in Europe.

A mobile version of Z was developed by Peter Harrap and TickTock Games and was published by KavCom.

The Z DOS version has an interface for loading the game as its first step.

The re-release by Tick Tock Games received a negative review from Softpedia, which criticized the lack of modern enhancements, arguing that both the gameplay and
