In order to leave seller feedback a customer needs to click on '#view previous orders'; and then is presented with a form like this:

Pro tip: Shoppers have 90 days to leave a review and 60 days are provided to allow for the removal of a review. In both cases, act swiftly, ask for positive reviews and try to immediately resolve issues that arise from negative reviews. The quicker you address the issue, the higher the likelihood of getting a negative

review removed is.
