Here it is! The Written Word Media guide to answer all your questions about managing an author page in Amazon Author Central. Your author page can generate sales on Amazon, Audible, and Kindle books and help develop your readers into fans.

Whether you have no idea what Amazon Author Central is or you are an old hand working to tweak your page to get the best results, we've got you covered. Read the whole post or skip to sections that are relevant to you by using the links

below. Now let's get to it!

Why should I set up my author page?

Your author page will list any other books you have on Amazon. If a reader liked

a book by you, they could click on your author page to see what else you have w

ritten or if you have upcoming books. These are easy sales, and setting up your

author page will allow you to capitalize on them.

3. Blog (RSS) Feeds

Wait for a confirmation email from Amazon to verify your email and identity.

How do I edit my Amazon Author page?

Return back to the Author Page URL header we were just working off of.

Custom URLs should go live in about 30 minutes. Once it's ready, you'll

see it posted under the Author Page URL header and can then copy your custom URL to share.

If you walk into a casino & either a dealer or a person there recognizes you

, you've probably been spending too many hours at the casino.

The same thing happens when you want to treat the casino like a job & show

up daily for 4-5 hours a day.
