There are big creators like Whiteyy18 who are rumored to generate as much as \$1000 within an hour of streaming live on TikTok just from their followers sending gifts.

The amount of money someone with a million TikTok followers can make varies greatly depending on various factors such as their engagement rate, location, niche, and the monetization methods they use. Here are some potential earning ranges based on different monetization methods:

The amount of money someone with a million TikTok followers can make varies greatly depending on various factors such as their engagement rate, location, niche, and the monetization methods they use. Here are some potential earning ranges based on different monetization methods:

Creator Fund: TikTok pays eligible creators based on factors such as video views, engagement, and location through its Creator Fund. Based on reports, the Creator Fund pays around \$0.01-\$0.02 per 1,000 views, which means that someone with a million followers could potentially earn around \$1,000-\$2,000 per month.

There are several other factors that can influence the amount of money you earn with the TikTok Creator Fund:

It is important to note that the amount of money you earn with TikTok's Creator Fund can vary greatly from one video to another and it is not uncommon to not earn much money even with a large number of views. That's why it's important not to focus solely on monetization and focus on creating quality content for your target audience.

Any sports betting site in Zimbabwe will have at least some promotions and offers ready for its users, mainly because bonuses and promotions are nowadays considered more of an industry standard than a bonus feature.

Notably, some will do a much better job at it than others.

Football is the most popular sport in Zimbabwe, not only among the fans.

Betting on sports in Zimbabwe is as good as it gets.

The first thing you need to check with any platform that offers sports betting in Zimbabwe is whether it is legal, safe, and licensed.

Since the odds constantly change, the only way to find the best available price is to have an account with multiple betting sites.

Then some bookmakers accept crypto, granted those are not as common.

Due to its accessibility, EcoCash is one of the most convenient payment options for people using bookmakers in Zimbabwe, particularly those using Zimbabwe betting apps.
