Football Squares is a popular Super Bowl party game in which all of the players try to guess the score for each quarter.

Once you have the board set up, ask friends and family members if they want to pay to choose a square on the board.

If you want to add an element of surprise to the game, draw numbers from a hat to assign each player a potential score.

At the end of the game, pay the winners the money that you gathered from all of the participants.

This allows you to try a bookmaker's services with minimal risk.
