Sports betting is illegal in Texas, but it still happens.

states that allow online sports betting.

It's likely that every time you try to add cash to your account with an offshore site, it'll trigger your bank's fraud prevention notice.

Vegas is time-honored, but getting on a plane and booking a hotel room requires a serious investment of time and money.

Win enough bets against your friends, meanwhile, and they'll probably stop taking the odds you offer.

So although it's certainly possible for Texans to bet on sporting events, the process comes with a lot of friction.

On Thursday, the state House of Representatives took a small first step toward removing that friction.

North Texas representative Jeff Leach, who introduced the resolution, described various scenarios for which Texans might place a bet-tossing ten bucks into a March Madness pool, or putting fifty dollars on Jose Altuve hitting a home run in game four of the World Series-and then explaining that, right now, our friends and neighbors who do such things are criminals under Texas law, and our children deserve better.

One of the two brothers who claim actor Jussie Smollett paid them to pull off a fake attack took the stand on Wednesday. Smollett, 39, faces six counts of disorderly conduct and is accused of lying to police about the 2019 incident.

"We became very good friends," Osundairo said of Smollett. "I would call him my brother."

Osundairo testified that Smollett wanted him to "fake beat him up" and claimed there was a discussion of who would punch Smollett. "I believe he said there was going to be a camera to capture the fake attack - that he wanted a camera to capture the fake attack," Osundairo said.

These said investigators spent days trying to determine if the brothers were telling the truth about the incident being a hoax. "At the end of the investigation, we determined the alleged hate crime was actually a staged event - and the hate crime did not occur," These said.
