Whether it be player shots, offsides, goal kicks, or bookings, there's like a market to whet one's appetite.

Las Vegas has featured legal sportsbooks since 1949.

However: Many states have recently regulated sports gambling.

As I'll cover later Some states have gone with a lower minimum age.

They feel that young adults are able to handle themselves when gambling on sports.

These same bookmakers don't want to let 18-, 19- and 20-year-olds in, only to police them at the bar.

That said, you'll have a difficult time placing bets as an underager anywhere
