Businesses may be desperate to get more five-star ratings or increase their numb  
er of reviews and decide to buy positive Google reviews, especially if they&#39;

re just getting started and don&#39;t have many high-quality customer reviews. If you want to get more online reviews and positive reviews, the best strategies

for doing that include:

Legal action, as explained above

It&#39;s easy to spot the differences between fake reviews and honest customer f  
eedback. Companies that pay for disingenuous five-star reviews risk losing custo  
mer trust.

3. There are legal ramifications to consider before buying Google reviews

Email marketing

Step 3: Know how to respond to Google reviews to show customers you value their  
opinions. And yes, responding to reviews helps SEO.
