If you're comfortable using crypto, this is a great deal that other online

casinos can't match.

There are even several live-spin games featuring live hosts.

The host spins a wheel, and participants win cash prizes.

Red Dog Casino is constantly changing its promotions and offering new bonuses to

Safety and Security It takes trust to deposit your real money online and we want

you to know, if we trust a partner, so can you.

This is why all sites must be legitimately licensed and regulated, as well as k

eeping your data safe with the best encryption technology.

We also check for any unfair T&Cs, meaning you can bet with confidence.

Customer Support Top sites will offer extensive customer support, which is why w

e review this rigorously.

While we always encourage our users to get in touch, we understand the importan

ce of having your questions answered efficiently and by a real person.

Compatibility Whether you're playing online from your computer or mobile dev

ice or tablet, our top recommendations can match your lifestyle.

A top online casino needs to be compatible with multiple devices, so you have t

he freedom to play wherever and however you want.

To start, odds are presented in a few different ways and the numbers mean drast

ically different things depending on what system the sportsbook is using.

Odds with a plus sign are underdog bets.

Plus odds tell you how much profit you will get on a \$100 bet.

Multiplying a bet amount by the fraction, will show the profit.

Betting \$10 with 7-4 odds would net \$17.

For example, it's fairly common to see American odds of -115, but that conv

erts to 20-23 in fractional odds.
