All you need to do is choose the amount you#39;d like to send to your gambling

account, and the money will be transferred directly to the casino.

How much you#39;ll get depends on who you pay with (and their generosity) and

how much you deposit in the first place.

Nothing is ever perfect, including the Amazon affiliate program. Here are a few

downsides:

You#39;re not allowed to send Amazon affiliate links in emails. That includes b

log posts that get sent as an email. Since email is an excellent way to send gre

at offers to your readers, this rule is particularly disappointing.

Blogging is probably the most common way affiliates make money with the Amazon A

ssociates program. Some bloggers have a general topic site and use a variety of

affiliate programs and other monetization options. Other bloggers have a niche s

ite, zeroing in on select products that the site covers. Either way, making mone

y with Amazon Associates on a blog can be done by:

Writing reviews of new products. Again, people want to know about items before t

hey invest money in them, especially if they#39;re new and there isn#39;t a lo

t of information available.

Build traffic. All affiliate income does best with a large, steady stream of tar

geted traffic. There are many easy and affordable ways to get people to visit yo

ur blog or website.

Make product recommendations fit with your website topic. If you blog about surv

iving zombies, don#39;t have a link to tulip bulbs unless tulips repel zombies
