While scraping through our search enquiries this month, we came across an intriguing cluster of queries. Queries like:
Sell book to Amazon
It makes sense; Amazon is the world's biggest bookseller after overtaking other retailers like Waterstones and WHSmiths. They dominate the market by selling their books and fulfil orders for other booksellers while taking a small percentage.

How Did the Trade-In System Work?

Selling your books on Amazon is something that's available to anyone. This could be one of the reasons Amazon closed the trade-in programme; it takes out the leg work for them!
