Generally, yes.

However, similar to hedged trades in the stock market, different types of hedge

d bets can prove to be reliable zero risk betting strategies for punters.

Top 5 Zero Risk Strategies

However, a matched betting strategy utilizes no betting funds, while an arbitra

ge wager might or might not use a punter's funds.

Back And Lay Wagers

To lay a wager is making a wager on the team not to win a match.

A punter can expect a payout from a lay wager if the group bet on losses.

A win or a draw will work against a punter in a lay wager.

Lay chances must be for punters who are sure that a team will lose a particular

fixture.5.
