Check out our sports betting glossary to get up to speed with every term you might need to know before a parlay or prop bet.

The menu icons are larger and easier to pick, the markets are better defined, and as a consequence, making your bet is faster, with the all-important odds in a comparable ballpark.<sup>2</sup>

Good deals, amazing free-to-play games such as Super6, and competitive odds are all available.<sup>6</sup>

SBK App

SBK also features a unique community-driven social network where users may share their betting picks.

The coral app delivers precisely what you'd expect and even goes above and above.

Paddy Power has been in business for a long time.

In comparison to other bookmakers in the UK, Paddy Power's app does not feature as many markets in each football match, but it does offer a pretty accessible interface in terms of going to each league, match, and popular market such as overs and under on goals.<sup>9</sup>

When it comes to betting on football, BetVictor offers a wide range of betting markets to select from, and the simple usability of the app on both Android and iOS means that consumers frequently return to the bookmaker to place bets.
