They can give you a helping hand, especially if you're signing up for a betting account for the first time.

Some football betting strategies involve staking larger amounts on selections at shorter odds and smaller amounts on bigger-priced picks.

The reasoning for this is that at least some of the football bets will end up winning and you can therefore secure some kind of return, rather than putting all of your eggs in one basket by staking your entire balance on a fancied selection.

Free bets valid for 7 days, stake not returned.

A key football betting strategy is to get a handle on the rumoured and confirmed line-ups for each match and understand how this affects the overall probability of either team winning.

Returns exclude Bet Credits stake.
