There is no longer the need to book a trip and wait for your next holiday to go

and spin the reels at a land-based casino.

Slot games have come a long way from the early day fruit machines.

While some slots allow you to place a few pence per bet, others will require C\$

1 per for each wager.

You are playing for the exact same paylines with the only difference being that

they will be considered a win if aligned from either side.

Since the first coin-operated slot machine was invented in 1894, slots pretty mu

ch worked the same way.

With mobile gambling becoming increasingly popular and common in Canada, all the

new online slots are coded in HTML5 technology which makes them optimised for a

ny mobile-browser device.

Most online slot games offer RTPs higher than 96%, but there are some with even

higher returns such as Rainbow Riches Pick 'N Mix by Barcrest with 98%, Meg

a Joker by NetEnt with 99%, and Uggabugga by Playtech with an RTP of 99.

com is licensed by the Canadian Gambling Commission and as such, its RNG is full

y certified and regularly tested to make sure that the outcome of every spin of

an online slot game is random.
