Right now, it looks like the Spring of 2022 remains a loose target

2013 18 years after the previously denied attempt, a second attempt to legalize riverboat gambling fails.

To get a clearer idea of the full range of sports betting sites that may one day be available in Virginia, just look at other states that already offer legal on

line sports gambling.

Sports betting in Virginia includes tons of different sports from North America and around the world.

Here is a simple breakdown of how gamblers will place legal wagers through an online app or platform.

Can you bet at casinos in Virginia?

No, only online or mobile sports betting is allowed in Virginia, but that may change in the future.

They are all allowed in Virginia!

The vessel was preserved by Athenian citizens, who continually replaced its rotting planks with strong, fresh timber so a pilgrimage to Delos could be made each year in their hero's name.

Fascinated by this mythical tale, the philosopher Plutarch found it to embody a logical question of things that grow: After Theseus's ship had been stripped of all its original material, could it still be considered the same ship? His question has caromed through centuries of Western thought.

What if, Thomas Hobbes wondered, someone rustled up a second boat out of the discarded planks; would you now have two original vessels? And what about our own era of machine-made duplication - does replication strip away the soul of creation?

I was toting around a delicious, maddening secret: Like a ship remade with identical wood, the bag on my arm had been built on the same plan, with seemingly the same gleaming materials, as the "original."

It was early 2021 when, thrown into sensory overload by grisly pandemic headlines, I found my gaze drifting guiltily to an advertisement in the right margin of a news site, where the model Kaia Gerber arched her arms lovingly around a Celine Triomphe - a plain, itty-bitty rectangular prism that in no universe could possibly be worth, as further research informed me, \$2,200.

I had always understood that these artifacts were not for me, in the way debutante balls or chartered Gulfstreams were not for me.
