The second is that you never know when you'll want to bet on something different and you don't want to be forced to change apps when you do.

During the registration process, you also want to make sure you claim your welcome bonus, though this can usually be done afterward as well.

When a sportsbook does not have an app, it will offer in-browser betting.

You will know what is available, per sportsbook, after signing up.

In the future, there could be additional Kansas betting apps to download, as the

state is allowed to license up to 12 Kansas sportsbooks apps.
