Some companies might not even pay you

1. Regarding Paid Reviews & Your Account

You read that absolutely correctly, my friend! There are two ways you can generate money as an Amazon product reviewer.

You can join these groups and then contact sellers to complete their tasks. Some times you will be offered free products that you can sell and make money, other times, the companies will offer compensation as well!

Of course, you won't make a lot of money if you only post one review in an entire month, right?

Write Reviews On The Products You Have Chosen

If you are thinking that people will magically start reading your review article

s/blog posts right after you publish them, it's not happening, buddy!

This number can be high or low depending on the work you do and how well you understand the overall business model.
