While less common than picking the spread or a prop, our analysts will always look for high-value NCAA football moneyline picks if they feel it's the best bet. But if the game has one weakness, it is that unlike slots with progressives it doesn't have a way for players to instantly win big prizes.

One of the most popular of these is Perfect Pairs Blackjack, a bonus game that offers big payouts if players are lucky enough to be dealt identical cards to start the hand.

How to Play

Once you've made the bet, all that matters is the first two cards that are dealt to you in your hand. The exact pay table will vary depending on the casino you play at.

Non-Colored Pair: 6-1 No Strategy

For a small investment, you can add a lot more action to your blackjack play and increase the potential to win some reasonably big payouts on every hand. As side bets go, this one is also among the better ones you'll find on any table game.

You aren't required to take the side bet when you play at these tables, but the option is there, allowing you to place an extra bet whenever you feel like
