Pinnacle review conclusion Rated 2 of 5 books overall 4.

6/5

Pinnacle Sports is definitely a unique online sportsbook worth checking out. The highlight of this Pinnacle Sports review is the fact that the bookmaker has

much lower margins than other operators.

The sharp odds offer users better returns on their bets and this more than makes up for the lack of promos. High limits

While this doesn't affect most bettors, it is always good to know that the sportsbook is willing to take big bets.

It is reliable and always has plenty of action both ways. Fast payouts

After registering and verifying your account, you can withdraw your winnings from

Pinnacle in just a few hours.
