It used to be that you'd have to walk all the way down to the local bookies to place a bet on the biggest events, but not anymore.

It wasn't just high-street betting shops that made the leap either; brand new betting websites such as Betfair opened up to make their mark in the industry.

Bettors can sink their punts into a huge range of markets within sporting events.

The market is incredibly crowded and competitive, which means that there are many high-quality options to choose from such as Betfair and Paddy Power.

As well as this: make sure that the website is smooth and easy to use, that they have a mobile app for betting on the go and that their customer service is highly-rated in reviews.

This is uncommon with online betting sites, but not unheard of.
