Obn in GGY.

However, this benefits them in the longer term, as these processes aid in deterring underage gambling and fraud.

This is done through regulations that promote important points such as fraud prevention, anti-underage gambling processes, and money muling.

The ease for underage users to claim to be adults is quite high, so it is clear as to why we witnessed the introduction of regulations bringing in ID verification and other anti-underage gambling tools.

Some of the most noticeable regulations include an increased barrier to entry for potential customers due to customer identity verification requirements.

Whether this means hiring staff to manually validate data or investing in a verification platform, costs will rise.

All the details can be found on the official Gambling Commission update.
